Log in to the online application system to fill in the application form: https://hit.at0086.cn/StuApplication	√	√
Passport homepage	√	√
Bachelor's degree diploma or expected graduation certificate	√	
Master's degree diploma or expected graduation certificate		√
Academic transcripts for all courses	√	√
Language proficiency certificates · Chinese-taught programs: HSK level 4 ≥ 210 scores · English-taught programs: TOEFL ≥ 78 scores, IELTS ≥ 6.0 scores or other equivalent English language proficiency certificates	√	√
Study plan (more than 1,000 words)	√	√
Two recommendation letters from professors or associate professors	√	√
Foreigner Physical Examination Form (issued within 6 months prior to the submission date of application)	√	√
Non-criminal record report (issued within 6 months prior to the submission date of application)	√	√
Remittance receipt of application fee (CNY 400)	√	√

Note: The official notary office in English or Chinese must notarize all the application documents in other languages.

2. Chinese Government Scholarship Program

Application Period

October 15th Application Opens
February 29th Deadline for Application

Application Process

Step 1: Submit all application documents to StudyatHIT@hit.edu.cn before the deadline
Step 2: Receive the confirmation Email from the Office of International Students Admission of HIT

Note: The admission officer will follow up on the application via email. Please check your email frequently—response averages within 24 hours (can be delayed depending on the high number of emails). Please be patient if we don't respond in time

CSC Application Documents

The official notary office in English or Chinese must notarize all application documents in other languages

1. Application Form for Chinese Government Scholarship
The CSC Online Application System is available at <http://studyinchina.csc.edu.cn/>

Scholarship Type: B

University Code: 10213

- Passport homepage
 - Highest diploma
 - Academic transcripts
 - Language qualification certificates
 - Chinese-taught Programs
 - HSK Level-4 report (valid for 2 years)
 - English-taught Programs (for non-English native speakers)
 - IELTS 6.0, TOEFL 78 or other equivalent English language proficiency certificates
 - Study plan (more than 1,000 words)
 - Two recommendation letters from professors or associate professors
 - Foreigner Physical Examination Form (issued within 6 months prior to the submission date of application)
- The medical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of the applicant are invalid
- Bank receipt of the application fee: USD 60 or CNY 400
 - Non-criminal record report (issued within 6 months before the submission date)
 - Acceptance letter (not required). An applicant is encouraged to contact HIT's professors ahead of submission

Note: Uploaded supporting documents must be clear, authentic and valid. Applicants are recommended to use a professional device to scan the relevant documents. Applicants shall bear the consequences caused by unclear or unidentifiable uploaded documents

CSC Scholarship Information

Categories	Scholarship Coverage	Note
Chinese Government Scholarship	Tuition fee	1. A master's degree program is generally 3 years at HIT. Duration varies in some schools or faculties as follows <ul style="list-style-type: none"> Duration of master's degree programs (2 years): School of Management, School of Instrumentation Science and Engineering, Faculty of Humanities and Social Sciences, School of Life Science and Technology Duration of master's degree programs (2.5 years): Faculty of Computing, School of Architecture 2. The Chinese Government Scholarship covers major and language studies
	Accommodation fee	
	Master's degree students: CNY 3,000/month Doctoral degree students: CNY 3,500/month Stipend: No stipend is issued before arrival at the university	
	Comprehensive medical insurance: CNY 800/year	3. English-taught Programs <ul style="list-style-type: none"> Doctoral degree programs are English-taught (except the programs in Faculty of Humanities and Social Sciences) English-taught master's degree programs are categories of Management, Materials Science, Civil Engineering, Mechanical Engineering, Electronics and Chemical Engineering

Important Notes

- HIT can adjust the selected majors and study duration according to the applicant's educational background and study plan. If the applicant's conditions or application documents do not meet the provisions or requirements, the application shall be considered invalid and not accepted.
- Applicants cannot change the professors, specialties, universities, study duration, or teaching language specified in the Admission Notice after registration.

3. Remittance Information

Bank Name: Industrial and Commercial Bank of China, Harbin, Da Zhi Branch
Bank Address: 318 East Dazhi Street, Harbin, People's Republic of China
Name: Harbin Institute of Technology
Account Number: 3500040109008900513
SWIFT/BIC: ICBKCNBJHLJ

4. Admissions

- The admission decision is based on a comprehensive evaluation of the applicant's file. All applicants will be notified via email on the admission decisions.
- HIT will review the applicant's application documents again after admission and reserve the right to cancel the student's access if there are any irregularities.

GRADUATE PROGRAMS

Introduction HIT-Harbin, Heilongjiang, China

- 1920 Founding of Harbin Sino-Russian School of Industry
- 1954 One of 6 National Key Universities (the only one outside Beijing)
- 1996 Project 211
- 1999 Project 985
- 2009 C9 League
- 2017 Double-First Class
- 2020  100th Anniversary
- 2022 Double-First Class (the second round)

9 National Key Primary Disciplines

Mechanics	Control Science and Engineering
Mechanical Engineering	Computer Science and Technology
Instrumental Science and Technology	Civil Engineering
Materials Science and Engineering	Management Science and Technology
Power Engineering and Engineering Thermo-physics	

Highlights on Scientific Research

- the **first** School of Astronautics in China
- the **front-runner** in achieving satellite-ground laser link communications in China
- China's **first** interactive chess-playing computer
- the **first** Chinese university to independently develop and launch small satellites
- China's **first** human-machine in-orbit maintenance experiments on a space operator
- the **first** university to achieve a major breakthrough in supporting structure development for the largest radio telescopes

In the past 19 years, faculties and students of Research Center of Satellite Technology (RCST) have designed and launched 22 satellites successfully.
