

## Commitments for Zhejiang University PhD Application

I have thoroughly read and fully understood the requirements for application, and now I fill in the relevant information and make commitments as follows:

### I. Relevant Information

1. Passport Name:
2. Name in Chinese characters (if applicable):
3. Nationality:
4. Passport Number:
5. Cell Phone Number:
6. Personal Permanent Email:
7. Preference College: \_\_\_\_\_, Major: \_\_\_\_\_.

### II. Commitments

1. I have checked my personal information in accordance with the required qualifications in the application guide and ensure that I meet the requirements for application.
2. I have filled in all the information truthfully, accurately and completely, and submitted the required materials.
3. The personal permanent email is the permanently effective delivery method to receive notifications, information, materials, etc.
4. I will pay close attention to the relevant notifications released by the International College of Zhejiang University and the academic school I apply for. I will bear all the consequences caused by my negligence and other personal reasons.
5. I will comply with the rules and regulations, be honest and trustworthy through the whole process of application and assessment, and resolutely decline discipline violations and falsifications.

I will fully abide by the above commitments. In case of violation, I shall bear the corresponding consequences.

Signature (handwritten):

Date:

### NOTES:

1. This Commitment is applicable to all Zhejiang University PhD programs for 2025 entry of international students, and the final interpretation right belongs to the International College of Zhejiang University.
2. Applicants must upload the PDF version of the commitment, which is filled in completely and clearly with personal handwritten signature, together with all other materials for application to the online application system (<https://isinfosys.zju.edu.cn/recruit/login.shtml>). Applications without the commitment will not be processed.
